LONG ISLAND ASSOCIATION OF
SPECIAL EDUCATION ADMINISTRATORS

Annual Membership Brochure

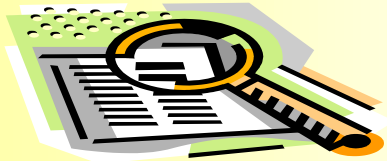

Membership Year
July 1, 2018 – June 30, 2019

All Children Can Learn!

Membership Dues

Since 1969

Purpose of LIASEA

- ◆ To promote and strengthen special education programs;
- ◆ To develop and promote improved standards of professional competence in the administration of special education;
- ◆ To represent our membership by encouraging policies and procedures at local, state and national levels that will promote the establishment, growth, assessment, and improvement of standards of special education;
- ◆ To encourage the improvement of standards of professional preparation of special educators and service providers;
- ◆ To represent its members with other professional organizations;
- ◆ To partner with local colleges and universities to encourage interest in preparing candidates for the field of special education;
- ◆ To establish a means of communication and support among administrators of special education programs.

Approved New York State Sponsor
of Continuing Teacher and Leader
Education (CTLE)

LIASEA

...is a group of special education administrators who are responsible for programs and services in public, private schools or agencies.

...provides invaluable opportunities to dialogue with others who possess experience and have knowledge of the issues that challenge special education administrators and the constituencies which they serve.

LIASEA regular membership is open to administrators and supervisors of special education programs in public and private schools.

LIASEA associate membership is open to agencies and individuals who support the special education programs and services in public and private schools.

Membership runs from July 1st to June 30th

MEMBERSHIP INCLUDES:

- Conference Registration Discount
- Invitation to our Member's Only Conferences
- District Membership Discount
- Updates on New Regulations and Current Issues
- Complimentary Admission Membership Reception in September
